## FINANCIAL.

*No. Fl.* 4932-81—*G. F.* 163-13-1, *dated* 22*nd April* 1914.

The following rules explaining the concessions that will be given to promoters of Light Railways in the State are published for general information.

By Order,
J. S. CHAKRAVARTI,
*Financial Secretary to Government.*

Terms on which the Government of His Highness the Maharaja of Mysore are prepared to consider offers for the construction of branch lines of Railway within the State.

---

1. The concessions to be given to promoters of Light Railways in the State will be decided in each case by Government and embodied in detail in separate agreements. Such concessions will be generally on the lines adopted in British India (*vide* the latest rules published in the *Gazette of India*, Part I, dated 29th November 1913, pages 1304 to 1311) with the modification that the rate guaranteed in the Mysore State will be 4 per cent instead of 3½ per cent and with some minor changes indicated by the rules below or other special orders of Government. Extracts from the Government of India Rules adapted to local conditions are appended hereto (Annexure A). The present rules relate only to arrangements for financing local railway projects.

2. Whenever a District Board, a private company or any other body offers to raise capital for constructing a feeder railway, the Government may, after such enquiry as they may deem fit, guarantee the payment of interest on such capital at 4 per cent per annum or a period not exceeding 30 years.

3. In the matter of affording guarantee and granting other concessions, Government will give preference to lines according to their importance and also according to the proportion of capital raised locally by the financing body. Government reserve to themselves the power of rejecting applications without assigning any reason.

4. If any line guaranteed under Rule 2 works at a loss, that is, pays less than 4 per cent per annum on the paid-up capital, an amount sufficient to raise the return to 4 per cent on the whole capital will be paid from State Funds.
